**American Home Products Corporation;
Prohibited Trade Practices, and
Affirmative Corrective Actions**

AGENCY: Federal Trade Commission.

ACTION: Consent order.

SUMMARY: In settlement of alleged violations of federal law prohibiting unfair acts and practices and unfair method of competition—in connection with American Home Products Corporation's acquisition of American Cyanamid Company—this consent order requires, among other things, the New

Jersey-based corporation to divest its tetanus and diphtheria vaccine business to a Commission-approved buyer; to license Cyanamid's rotavirus vaccine research to a Commission-approved licensee; and to change a previously established licensing agreement to ensure that it does not obtain certain competitively sensitive information. The consent order also prohibits, for ten years, the respondent from acquiring any interest in any entity engaged in the clinical development, manufacture, or sale of tetanus, diphtheria, or rotavirus vaccines in the United States without prior Commission approval.
